

# 15<sup>th</sup> Annual Care & Share at The ARC

On Thursday, December 9 from 4:30 to 7:00 PM, DCBIA's Community Services Committee held its annual Care & Share holiday party for over 200 children at The ARC in Southeast Washington, DC. Children from the Boys & Girls Club of Greater Washington and Children of Mine Center joined together to enjoy musical entertainment by rapper Garvey, "The Chosen One," a pizza party, arts & crafts, face-painting, video games, storytelling, relay races and games, and finally, a visit from Santa with gifts for everyone. Many DCBIA members volunteered to assist with the festivities.

**We wish to thank our DCBIA members for their contributions of wrapped gifts, financial donations and personal participation, which helped to make the 2010 Care & Share event meaningful and joyful for many children in Ward 8.**
