

16th Annual Community Improvement Day

Saturday, September 13, 2008 7:00 AM – 5:00 PM
Douglass Community Center (Ward 8)

DCBIA wishes to express its gratitude to the firms and organizations that have made financial contributions and/or donations of professional and technical services, building materials and equipment, new products, skilled labor and volunteer support for the renovation of Douglass Community Center in Ward 8 in the District of Columbia. This project is a public-private partnership between DCBIA and the District of Columbia Department of Parks and Recreation – Clark E. Ray, Director.
